

Student Performance Report

KCET Grand Test — AI Performance Analysis

Name	JEEVAN C	Adm No.	6546250
Section	AMS60 - 12A	Test	KCET Grand Test

1. Performance Summary

Subject	Marks	Max	Rank	%	Class Avg	Status
Biology	43.0	60	11	71.67%	40.6	Above Avg
Physics	45.0	60	1	75.0%	27.7	Above Avg
Chemistry	46.0	60	2	76.67%	28.4	Above Avg
TOTAL	134.0	180	5	74.44%	96.7	Above Avg

2. Performance Intelligence

Metric	Value
Average Score (Bio+Phy+Chem)	44.67
Standard Deviation (Consistency)	1.25
Consistency Level	Very Consistent
Strongest Subject	Chemistry
Weakest Subject	Biology
Class Rank	5 / 27
Gap to Class Topper	5.0 marks

3. Strengths and Areas for Improvement

Strengths:

- Biology: 43.0 marks (+2.4 above class avg 40.6)
- Physics: 45.0 marks (+17.3 above class avg 27.7)
- Chemistry: 46.0 marks (+17.6 above class avg 28.4)

4. Personalised Recommendations

Subject	Current	Target	Need	Gap to Topper
---------	---------	--------	------	---------------

Biology	43.0	43.3	+0.3	11.0
Physics	45.0	45.3	+0.3	0.0
Chemistry	46.0	46.3	+0.3	1.0

Target: Reach 75.0% — need +1.0 marks total.

Biology Tips:

- Focus on NCERT diagrams — KCET asks directly from them.
- Revise classification, genetics, and ecology chapters thoroughly.

Physics Tips:

- Practice numerical problems daily — at least 10 per day.
- Focus on Electrostatics, Current Electricity, and Optics.

Chemistry Tips:

- Revise organic reaction mechanisms thoroughly.
- Make a table of all named reactions with reagents and products.

5. Prediction

Excellent performance. On track for a top rank.

6. Study Suggestions

1. Prioritise Biology — improve by 11.0 marks to reach topper level.
2. Attempt one full KCET mock test every week under timed conditions.
3. Review every wrong answer immediately after the test.
4. Revise NCERT line by line — 60% of KCET is directly from NCERT.
